## Focusing on Prayer

I don't know about you, but I find I sometimes lose focus on the power and purpose of prayer. I get so caught up in the day-to-day routine that prayer just gets upstaged by the rest of my life. But I was reminded by some fellow missionaries at our church men's mission breakfast this past week that prayer is vital to my walk with God and to our ministry. Prayer truly is the key to a vibrant Christian walk. So, as I refocus on my prayer life, I thought it was a good time to ask you if you will join with me in praying for our ministry. We need people to continually lift us before the Lord for His guidance and protection as we proceed with work that the devil doesn't want done. Will you please remember us as you pray? We would love to have a core set of people committed to praying for us. If you are willing to do that please let us know.

## 50% and Goal to Go!

That's right! Thanks to God's provision, we now have commitments totaling 50% of our monthly support needs. Just in the past two weeks we have received commitments from two churches and several more individuals. We are so excited to see God providing. Reaching the 50% milestone now means that we can begin working on our transition onto the field. Things like selling the house, quitting Andrew's job, and planning for our pre-field training. Our next milestone is at 80% where we get final approval to attend pre-field training. Our goal is to go to pre-field training this June. We hope to get to 80% as soon as possible so that the June training slots are not filled. We'd love your help.
